

Easy Exit Guarantee

Fred Currier Home Selling Team

Whether you're in the market to buy or sell real estate, getting stuck in a long-term contract with a Realtor who doesn't aggressively work for you, at marketing your home or finding you a new home, can become your worst nightmare!

What most buyers and sellers don't realize is that the listing contract or buyer agency contract that you sign when deciding to work with a real estate agent, does not have a release clause in it. Unless the broker takes pity on you (which doesn't happen often, believe me!) you are tied to that Realtor until that contract expires.

This situation can cost you not only valuable time, but MONEY as well! And isn't your bottom line what it's all about?

When you list your home or condo through my Easy Exit Listing Guarantee, you can cancel your listing with me at any time. No hassles. It's easy.

The Guarantee: If you're unhappy with the service I am providing you, either you or I can cancel just by calling and telling me "I wish to cancel the listing" That's it. No questions asked. Simply ask for an unconditional release via phone-425-776-0333, email- fredco1@hotmail.com or fax-425-463-0255. Ill have your release in writing, and you'll receive a copy of the MLS data sheet showing "Cancelled" status within 48 hours of receipt of your request.

I am confident you will be happy with my service and results. That's the simple truth! I always stand by my service. How many agents do you know of that are confident enough to make this kind of offer?
